“ Tina is my cousin. My mom and her dad were siblings. We were only 5 months apart in age. When we were little her mom babysat my brothers and I and I loved going there to hang out with Tina. This was in the late 60's to early 70's. We were free to go wherever we wanted and not worry about strangers and stuff. We had so much fun. I have missed those days a lot lately and even more so knowing that Tina is gone. We hadn't seen each other in years. I'm sad she is gone, but I will always cherish our childhood memories.

My condolences to the family and to my son who loved her so very much. She will be sorely missed by our family. Jeff found Tina and fell in love with her. I feel as if I have lost a daughter-in-law because that is how much she meant to me. Tina was a fun and loving person. Tina will be missed by many. It's so hard to say what I want to say because I'm heartbroken. I know she is in Gods hands now and out of pain. God bless everyone as we go through life without her. Prayers to everyone.
