“ I truly am sorry to hear of Todds passing. I am just now hearing about it so I apollogize the lateness of this message. My condolences goes out to the Tesch family. The Tesch family took me in when I was in need. Todd used to pick me for school every morning in his his Pinto that he somehow was able to keep repairing, and we would hit Indian trail sideways for about a quarter mile down the road past the apartments up to the air control center. Of course it was winter out and everyone would head for the park and drive out on the frozen river for a little fun before school started. Dawn, Ma, Pa, Scott, Mike, Holly I thank you for all you guys have done for me and I wish I could have been there for you guys...I am sorry!

Love,
Douglas
