“ One of my favorite memories is when Vi wanted to buy my young daughter a nice frilly dress. I'm guessing it was around Easter and my daughter must have been around 5 or 6. Katrina is not the type for frilly dresses so she picked out an ordinary inexpensive sundress. Vi said, "You don't want that..." and Katrina said, "yes I do!" So Vi bought two.

“ Violet has been in my life since I was born. Her husband was my godfather and she was my sponsor for Confirmation. I remember parties at her house. I was so excited when I got to play badminton with the adults. Fun memories. She was part of our family. She will be missed but not forgotten. Love you Violet.

Vi was a close friend, bowling team member and co-worker of my mother Gladys Breed. As a child, I remember trick or treating in the neighborhood and was so happy with the extra treats her and Chet would hand out to us kids. As adults, we enjoyed her and Frank's frequent visits at my mother's home in Naperville and to our home in Hollister Missouri when Vi and Frank would travel to Florida. Violet will be missed dearly and will be greeted with warm arms in Heaven by her friends and family that had passed...Peace Be With You Violet.

I remember how excited I was when Auntie Vi brought me a doll from Hawaii. The doll had braids and a blue muumuu.

I met Vi after my now husband Mike took me over to the Wirth's, Frank and Marlene. We got along very well and we talked about my being Polish. The next time I saw her was at a party at her house in Naperville and she gifted me with a beautiful Polish Santa, which I still have. I will always remember her smile and loving manners. She was a wonderful lady! RIP Vi.

*Was going to send Vi a birthday card this week, and googled her name, only to find her obituary. I've known Chet & Vi my entire life. They were both such special people in my life and were at every family event - whether it was in Iowa or Illinois. Visiting with them was always a treasure. In Vi's later years of living in Naperville, I would go and visit her every time I was in the area on business. She will always have a very special place in my heart.*
