“ You guys picked a great picture of your mom. She is just the way I remember her when I was a child. I know she has joined the communion of saints along with your dad(my Godfather). My mom will surely miss her "big sister" Gin.

Rest in peace Aunt Gin until we meet again. I love you.

“ Aunt Gin was my Godmother so we had that extra relationship. She was so gentle and kind! And so knowledgable! I loved talking with her, especially in the later years, about our geneolgy. That information is one of her legacies that you can take pride in. I will always cherish my memories of her. Deepest sympathy to you all.
