“ Laurel has been such an amazing blessing in Billy’s life and he in hers! I know from seeing them together that there is a special bond. She was a wonderful advocate and support to him throughout his life and particularly towards the end. He’s a man that finished well and I’m sure he’s in the arms of Jesus giving her the high five and thumps up!

“ I had the absolute honor of working with Bill at Keeler Center. He brought so much joy to the clients and staff at our day program. Our dance parties will never be the same without his killer dance moves. He was funny and kind. He is missed deeply by so many.

“ No matter what was going on during the work day, Billy always knew how to bring a smile and laugh to everyone. Even on the days he wasn't feeling like smiling and laughing himself... He truly was one of my favorite reasons to go to TAC House daily and I'm so glad I was able to work with him for the past couple of years now. Billy reminded me why I do what I do. We will miss him terribly. Love you forever, Billy.

“ I have 24 years of memories working with Bill. We became best buddies and had many trips to get chocolate bars, donuts, coffee and cola's. Atleast once a day we broke out into a dance. He was always the life of the party. This one really hurts buddy. All of us at TAC House miss you tremendously. RIH my Billy Boy. Love You
