“ To the family, my sincere condolences, my best memories are back in our youthful days. Bill was turning wrenches at Don's DX on Rte 25 and Illinois st., I would come there to use air for my bicycle tires. to mine and Bill's surprise I blew up two different times my new tires. He made me check in with him after that and he would use a tire gauge to make sure the tires were filled properly..Always a gentleman! May he rest in the arms of his Savior.
