“ We way-too-soon share our wishes of sympathy with the whole Thill family once again, knowing that your double loss of such wonderful parents will be very difficult to bear. We once knew a couple who still held hands past their 68th wedding anniversary, and it seems like your mother and father are similar - concluding a beautiful love story with life going on happily ever after in heaven. “ Dear Cousins,
I am so sorry to hear about dear Uncle Bill! What a special Uncle he was to me. It is comforting to know that he is with Aunt Rosie now in eternity. I am so grateful that I got to see Uncle Bill and Aunt Rosie last August. My heart goes out to all of you in losing such a wonderful Mom and Dad! With deepest sympathy and prayers,

“ *My Uncle Will is one of the most caring, loving men who ever walked this earth. I am so blessed to have been able to share my life with him and to have had him as my godfather. I'm absolutely positive that he is in Heaven with Aunt Rose right now, having an absolutely wonderful time. They are both together again, and while I won't see them again here on earth, they will live forever in my heart.*
