“ I am the youngest daughter of Wilma. It is so hard to choose one memory, there are so many wonderful memories I hold dear. The first one that comes to mind is how my mother would rock me and sing. I got to sing to her just hours before she left this earth to be with Jesus, I will never forget you Mama! See you in heaven.

“ Wilma was my cousin and I knew her literally my whole life. She was 12 years old when I was born and the first 14 years of my life we spent one week of summer vacation with Wilma & her family in Karnak, Illinois. One of my earliest memories was watching her crochet, my mom had several of her doilies & table runners throughout our house. She will be sorely missed but I know her family will find peace in their faith & comfort in the many joyous memories that they share.

“ *When I was about 5 years old, I met Paula, Dina, and Gina, Wilma's daughters, at Calvary Baptist Church. I would go to their house to play, and Wilma was always so kind and loving. I always felt comfortable with them, being that I had (still do) Cerebral Palsy. Such love and acceptance was something the girls learned from Wilma. Later, my family moved and we lost contact, and so when, I, had, my family, I went back to Calvary, and re-connected with Wilma. She loved my sons, and later, when we moved to San Antonio, Texas, we would corresponded at Christmas. She always asked about everyone with such love. I never knew a finer woman than she. It was a great time for me and something I will always cherish. I miss her very much, but, Love Never Dies. Reconnecting with the girls, just blesses me. ~ My sincere, and deep condolences to Paula, Dina, Gina, and the family. I know she's enjoying her reward in heaven, and one day; I will see her again. With much love, Leticia Gomez & family.*
